The supplier, or manufacturer, confirms that the items supplied are safe from the point of view of food law, are intended to come into contact with food and are suitable for the intended use.

The delivered materials and plant components with food contact comply with the applicable German and EU legal regulations (with all supplements, appendices and amendments), in particular:

- The Foodstuffs, Commodities and Feedstuffs Code (Lebensmittel-, Bedarfsgegenstände- und Futtermittelgesetzbuch LFGB) in the new version of 26 April 2006.

- The Consumer Goods Ordinance in the revised version of December 23, 1997

- The Regulation (EC) No. 1935/2004 on materials and articles intended to come into contact with food of 27.10.2004 and the EU (Regulation) 10/2011.

- For plastics especially the EU (VO) 10/2011 and the RL 78/142 EG (PVC)

- Regulation (EC) No. 2023/2006 of the Commission of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with foodstuffs

DECLARATION OF CONFORMITY FOR FOOD CONTACT MATERIALS AND ARTICLES

- Commission Directive 2002/72/EC of 06 August 2002 relating to plastic materials and articles intended to come into contact with foodstuffs under normal and foreseeable conditions of use, the materials do not transfer to foodstuffs substances or constituents which

- endanger human health

- cause an unacceptable change in the composition of the food, or

- cause an impairment of the organoleptic properties of the food.

In the case of plastic materials, the following applies additionally (cf. Art. 15 in conjunction with Annex IV of EU (Regulation) 10/2011):

The total migration (OML) as well as the specific migration (SML) are below the legal limits when used according to specification.

In any case, food contact materials and articles must be labeled in accordance with Article 15 of Regulation (EC) 1935/2004. The traceability of the delivered materials is guaranteed at all stages (Art. 17, VO (EG) 1935/2004).

This declaration of conformity is valid until revoked and replaces all previous editions.

The user is liable for compliance with all legal regulations during further processing.

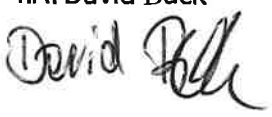

The supplier or manufacturer confirms compliance with the specifications by signing below.
