Nothing feels more like home than eating from a bowl. Thanks to our Tylla collection, you can get that feeling wherever you are. On the go or on your dining table, its gentle and inviting shapes offer the most delicious presentation of any meal or snack. The crystal-clear lid allows you to quickly see what's inside and provides a tight seal to prevent spills. On top of this, Tylla bowls are stackable, freezer and dishwasher safe, and microwave and steam oven safe without the lid.

Packing a lunch for two? Serving a pre-made meal on your dinner table? The Tylla 2000 is your go to bowl! Available in 2 delicious colours: oat and charcoal.
